

**S**urvivors and their families count on you for access to support services, education programs and research funding for better treatments and ultimately a cure. Every effort large or small makes it happen!

## FUNDRAISING IDEAS:

### **S**PREAD THE WORD!

**Online or Email Messaging** - Use holiday card lists or your Facebook friends to solicit donations from friends and family. When you registered for the event you were able to set up a free online fundraising page to donate directly to your page. You can also set up a free Facebook Fundraiser, whatever is easiest for you will work!

**Restaurant or In-Home Party** - Have a favorite restaurant, brewery or boutique? Know someone who has a "home party" business? Ask them to donate a portion of the proceeds from sales for one day, a week, or even a month to benefit MOCA! Or ask them to host a party to raise awareness and dollars for ovarian cancer.

**Workplace Giving** - Does your employer allow employees to support charitable giving in the workplace? If so, put out a donation jar with your story, hold a small bake sale, or see about having a dress up or jeans day for a set price.

You can log in to your personal fundraising page using your username along with your password. Once you log in, you start earning badges by completing your profile, sending fundraising e-mails, and more!

Call the MOCA office (612-822-0500) with any questions
